### Book Now: Quasar Expeditions Galapagos Cruise

Quasar Expeditions, a pioneer in South American travel has announced an exclusive Galapagos cruise itinerary in partnership with Steppes Travel and U.K. travelers club Globalista. The eight-day trip departs March 11 aboard the 32-passenger M/V Evolution yacht. Special guests Rebecca Goldstein, an American philosopher, novelist, and recipient of the National Humanities Award by President Obama, and Steven Pinker, preeminent psychologist, Harvard professor, and linguist, will deliver informative lectures throughout the journey. Goldstein and Pinker will provide context to daily hikes, kayak expeditions, and snorkeling outings. Highlights include visits to the Charles Darwin Research Station and the Wild Tortoise Reserve on Santa Cruz Island. *From \$9,400; quasarex.com.*
